

Preparation Course INCOSE ASEP / CSEP Exam 13th – 15th April 2016

NEW: Based on the INCOSE Systems Engineering Handbook v4.0

INTERNATIONAL COUNCIL ON SYSTEMS ENGINEERING

The International Council on Systems Engineering (INCOSE) is a non profit professional organization with the mission to advance the state of the art and practice of systems engineering in industry, academia, and governments.

ABOUT THE INCOSE CERTIFICATION PROGRAM

INCOSE has established a multi-level certification program which reflects the experience and knowledge level of Systems Engineers, regardless of where they may be in their career.

In Germany, the INCOSE Certification Program is supported by the *Gesellschaft für Systems Engineering* (GfSE), the German branch of the International Council on Systems Engineering.

BEONE IS A CORPORATE MEMBER OF THE GfSE

The BeOne Frankfurt GmbH belongs to the BeOne Group, which currently employs approximately 150 employees. The company provides consulting services mainly in German speaking countries in the fields of process, IT and engineering.

See also www.beone-frankfurt.de.

Since 2006 BeOne is a Corporate Member of the *Gesellschaft für Systems Engineering* (GfSE), the German Chapter of INCOSE.

WHO SHOULD ATTEND THIS COURSE?

If you are interested in gaining insight into the principles of systems engineering or would like to prepare for either the INCOSE ASEP or CSEP certification sign up for this preparation course.

All training materials are written in English, since the INCOSE exam can be taken in English only.

COURSE DESCRIPTION

This three-day-course offered by BeOne is directed towards Systems Engineers willing to take the next step in their career. Within this three-day-course you will attain a deep insight into processes and methods of Systems Engineering including the adjacent enterprise processes. The training is based on the INCOSE Systems Engineering Handbook v4.0 which is also the basis for the INCOSE ASEP and CSEP exams.

The course deals with the following subjects:

- INCOSE Certification Program Overview,
- Systems Engineering Overview,
- Generic Life-Cycle Stages,
- Technical Processes,
- Technical Management Processes,
- Agreement Processes,
- Organizational Project-Enabling Processes,
- Tailoring Processes etc.

THE INCOSE CERTIFICATION PROGRAM COMPRISES THREE LEVELS:

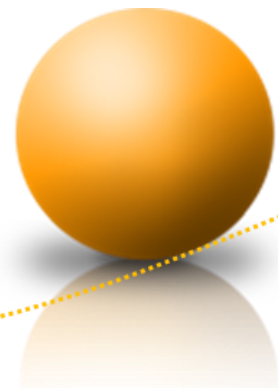

The Entry Level for Junior Systems Engineers.

The Foundation Level for Systems Engineers with five or more years of relevant work experience.

The Senior Level of Systems Engineers with more than twenty years of relevant work experience.

SCOPE OF SERVICE

- Three-day-course at BeOne Frankfurt GmbH,
- Trial exam including learning recommendation for the INCOSE exam preparation,
- Personal copy of INCOSE Systems Engineering Handbooks v4.0,
- Course folder with course material,
- Guidelines for exam registration, list of registered Certification Centers,
- Lunch, snacks and drinks on all three course days.

COURSE DETAILS

Date: April 13th – 15th 2016

Registration deadline: Mar. 09th, 2016

Location: BeOne Frankfurt GmbH, Liebigstraße 19, 60323 Frankfurt am Main,

Trainers: Dr. David Endler, CSEP, Gerd Untermeierhofer, ASEP, Thomas Krynicki, ASEP

Language: German (slides in English)

COURSE FEE

The course fee is EUR 1,790.00 plus VAT per participant. Please note that members of INCOSE or GfSE will receive a discount of 5% on the course fee.

You can repeat this course up to two times without additional charge. When repeating you need to pay for lunch for yourself and won't receive updated course materials.

FURTHER INFORMATION

The course fee has to be paid after billing receipt and before the course begins. In case of a cancellation up to one week before the course begins, a service fee of EUR 100.00 plus VAT will be charged. In case of a later cancellation or absence, the total course fee will be charged. The organizer reserves the right to program changes. By applying for the course, the participant accepts these conditions. In case of nonattendance you may of course name a replacement.
